Personal data will be used solely for the following reasons:

A) Reasons closely connected or instrumental to our company's activity:

- To acquire preliminary information needed to close a contract and to plan activities.
- To carry out services and stated contractual obligations.
- To carry out internal management, book-keeping, payment, administrative, fiscal and legal obligations.
- To fulfill obligations set by EU laws, regulations, and norms, namely, those requirements set by authorities and legitimized by law.
- To evaluate the execution of agreed upon services and the state of business relations.
- To provide services regarding technical information on the products concerned.

Allowing use of personal data for the above reasons is obligatory, and any refusal to permit use thereof will result in the impossibility of establishing any type of business relationship.
Consensus on the data subject's part for any eventual use of the data is not required by law.

B) Reasons related to the direct and indirect functioning of our company:

- To carry out, in strict observance of laws regarding company and trade secrets, business activities regarding commercial activities, including sending advertising material, selling goods and services directly, carrying out market research and carrying out interactive business communications.

Use of personal data requires the data subject's consensus.

I consent YES NO

- To conduct customer satisfaction surveys and to evaluate suppliers, as required, for example, by UNI EN ISO 9000 norms.

Use of personal data requires the data subject's consensus.

I consent YES NO

Allowing the processing of personal data for the reasons stated in Point B is not obligatory. However, refusal to provide personal data may result in the impossibility to carry out services on our company's part.

1. Communication and diffusion

A) Data held by our company can be given to other parties, as allowed for by the law, namely parties who need subject's data in order to carry out business activities; these parties may include companies, public or private entities, and freelancers whose services are supportive of, connected, and essential to those of our company, or whose services are related to your company.

B) Unrestricted data regarding services offered by our company to your company can be diffused, in strict accordance with laws in effect regarding company and trade secrets, in order to carry out business activities by way of various means, including paper, computer and telematics (the diffusion of company CVs, the publication of advertising pages, etc.).

Allowing the processing of personal data for the reasons stated in Points A and B is not obligatory. However, refusal to provide personal data may result in the impossibility to carry out services on our company's part.

I consent to the communication and diffusion of my personal data. YES NO
